

**WEST CENTRAL CONSERVANCY DISTRICT
POLICY #2007 – 1
COSTS ATTRIBUTABLE
TO PROVIDING SEWER SERVICE
FOR EXISTING SUBDIVISIONS**

The Board of Directors of the West Central Conservancy District desires to insure that the costs incurred by the West Central Conservancy District when providing sewer service to existing subdivision are paid by those receiving the service and not by the general customers of the District. Therefore, from and after the date of adoption of this District Policy, when calculating the cost of construction and providing sewer service in existing subdivisions the “Project Costs” shall include but not be limited to the System Development Charge, engineering costs, legal fees, easement acquisition costs, interest expense, construction costs, inspection fees, and bond or long term financing costs.

Passed and adopted this 16th day of April, 2007.
